

LeafyHome India: Best Low-Maintenance Indoor Plants

Welcome to LeafyHome! If you are a beginner looking to add green to your Indian home, these species are nearly impossible to kill. They thrive in typical Indian indoor climates and tolerate occasional neglect.

1. Sansevieria (Snake Plant / Mother-in-Law's Tongue)

The Snake Plant is an exceptional air purifier that converts CO₂ into oxygen even at night. It is highly resilient to low light environments common in urban Indian apartments.

Average Price in India: Standard green varieties cost around ₹150 to ₹300. Variegated yellow-edged varieties (Sansevieria Laurentii) range from ₹350 to ₹600 depending on pot size.

2. Zamioculcas Zamiifolia (ZZ Plant)

With its glossy, deep green leaves, the ZZ plant looks like a living sculpture. It stores water efficiently in its thick petioles and rhizomes underground.

Average Price in India: A small table-sized ZZ plant averages ₹250 to ₹400. Larger, premium varieties like the Raven ZZ (black leaves) cost upwards of ₹700 to ₹1200.
